To recover your files you have to send **2 BTC** to the account below:

**1MxF44yVgofEDMshvTxcVtch46hdxwFExR**

To buy bitcoins you can contact a local vendor in your city who could send bitcoins instantly and you can pay him as you wish.

[www.localbitcoins.com](http://www.localbitcoins.com)

After receiving the bitcoin will will provide Password-unlock and the program to decrypt your files.

PD: Any attempt to recover your data without our support it will cause the total loss of your files.

Thanks
